The impact of IFRS 17 on the group's main reporting indicators at 31 December 2022 (revenue, operating profit, attributable net profit and attributable equity) **is presented on slides 34 and 35.**

1. Throughout the document, operating profit/(loss) is presented after the share in net profit/(loss) of jointly-controlled companies.
2. The impact of material non-recurring items is detailed in section 2 of this document.
3. Free cash flow (excluding banking activities): cash flow from operating activities – purchases of PPE and intangible assets net of disposals – net interest paid – repayment of lease liabilities.

4. Excluding banking activities, for which this concept is not relevant.
5. Adjusted EBITDA: revenue excluding LBP – general operating expenses – personnel expenses (excluding additions to end-of-career benefits excluding LBP) + dividends.
6. Included a €1,256m payment by La Banque Postale in 2022 corresponding to a catch-up on dividends for previous years.

Significant events in 2023

New 2023-2027 public service agreement between La Poste & French State

2023-2025 regional coverage agreement between La Poste, the French State and the Association of French Mayors

This new agreement is structured around three objectives:

- enshrining the recent, significant consolidation of public service missions;
- establishing a method and a timetable for evaluating and, where necessary, planning changes to public service missions so that they continue to meet the needs of the community;
- setting out the contributions La Poste can make to the deployment of major public policies around four themes (independent living, mobility, digital trust and regional cohesion).

Universal postal service

Launch of a new Mail range on 1 January 2023 to respond to changing customer behaviours, reduce its carbon footprint and future-proof the universal postal service.

The French State offsets part of the net cost of the mission through annual compensation of between €500m and €520m, based on service levels¹.

Under the provisions of the 2024 Finance Bill, the compensation for 2023 amounts to €500m².

Press transport and delivery

Clearance from the European Commission on 1 January 2023 of the new agreement on press delivery between the French State, La Poste, Arcep and press trade associations:

- introduction of the principle of a per-copy subsidy for mailed press titles;
- compensation for the cost of transport and delivery in low-density areas (€40m for 2023)³.

Regional development

La Poste strengthened and adapted the regional presence of its network, with the support of the French State and in consultation with local elected representatives, by pooling service offerings within postal service points.

The maximum annual compensation received is €177m (€168m for 2023)⁴.

Accessible banking

The inclusive banking scheme run by La Banque Postale continues to be essential.

The public contribution received directly by La Banque Postale is provided in the form of a budget allocation (€303m for 2023).

¹ This service was declared compatible with internal market rules by the European Commission in its decision of 7 December 2023.
² Full-cost UPS account with a negative balance of €703m in 2022 in accordance with the accounting rules defined by Arcep.
³ Press business deficit of €338m in 2022 in accordance with the accounting rules defined by Arcep.
⁴ Net cost of the regional development mission of €348m in 2022 in accordance with the accounting rules defined by Arcep.

CSR leadership, at the heart of our company

Our purpose: **“At everyone’s service and of use to each individual, La Poste is a people-oriented company with a local presence that develops exchanges and builds essential links by contributing to the common wealth of society as a whole”.**
A **mission-led company** since 2021

La Poste has identified **four major CSR transitions**: ecological, regional, digital, demographic and social.

These represent a series of challenges and opportunities to which the group is committed through **its strategic plan in the public interest**.

The group has set itself goals and is measuring its impact for each of these transitions.

**Comprehensive view of the company's performance:
profitable and responsible growth**

The group's impact on the ecological transition

Challenge:
Reduce the group's GHG emissions by 42% by 2030¹.

€27.7bn in green investments by CNP Assurances to drive the ecological transition

An increase of 7% compared with 2022, tripling in 7 years with a target of €30bn by 2025.
These investments will help to finance renewable energy projects, energy-efficient buildings and low-carbon transport.

€12bn contribution to Caisse des Dépôts group's ecological transformation plan

CDC group plan: €100bn for 2024-2028
CNP Assurances: €7bn (new purchases of green bonds, net commitments to energy-efficient real estate, forests and green infrastructure).
La Banque Postale: €5bn (loans signed with green local public organisations (SPL) and businesses, loans to individuals for energy-efficient building work, etc.).

Impact of IFRS 17 on the main reporting indicators

The new **international financial reporting standard IFRS 17** applicable to insurance contracts became effective on 1 January 2023, replacing IFRS 4. It introduces fundamental changes in the presentation of insurance companies' published financial information.

As the sole shareholder of La Banque Postale, which wholly owns CNP Assurances, La Poste is directly concerned by the new standard's application.

Impact on the 2022 income statement

Operating revenue: -€2,105m

Main restatements and reclassifications applicable to the income statement

Income and expenses relating to insurance and reinsurance contracts held are presented separately under net banking income (NBI), as follows:

- expenses relating to insurance contracts and those incurred by the bank for insurance product distribution are presented by category as a deduction from NBI (impacts: €1,505 million in 2022);
- the cost of credit risk on financial investments of insurance activities is presented on a separate line as an insurance item in NBI (impacts: (€136 million in 2022).
